Impendle Municipality Annual Financial Statements For The Year Ended 30 June 2009

Mayor's Foreword

Each year additional responsibilities are placed on Municipalities by Government and this coupled with the low payment levels for services by consumers is placing extreme pressures on the finances, not only of Impendle, but all municipalities throughout the country.

The transition of the past year brought with it a strong foundation for future development of Municipalities, especially for Impendle municipality. During the year under review the municipality had been fraught with many challenges including the filling of key vacant posts. The municipality has now filled all section 57 posts directly accountable to the Municipal Manager. It is believed that this team of good leadership will advance the needs of our local Community and that the Municipality will deliver on its mandate in a more structured manner.

I want to thank the new leadership and those members of Council that have brought new experiences and have shown good commitment in developing further on the stable foundation that has been set.

A special thanks to all those involved in the Impendle Municipal area who have worked tirelessly in making our jurisdictional area a pleasant environment to live and work in.

I wish to compliment the Council for the good fiscal discipline observed during the last financial year.

I also wish to thank Municipal Manager, Chief Financial Officer, members of the Finance staff and the staff of the other Directorates for the excellent work performed during the last financial year.

Councillor S.M.Makhaye
Honorable Mayor
Date: 31 August 2009
